Education and Employment

University of Chicago (U of C)
5801 South Ellis Avenue
Chicago, Illinois

On April 13, 1972, Mrs. JOSEPHINE WESTON, Receptionist, Registrar's Office, advised that GLORIA LONG ANDERSON entered that university in October, 1964, in the Graduate School, Division of Physical Sciences. She attended through August, 1968, including the summer quarters of 1966, 1967, and 1968. She was awarded a Ph.D. degree in Chemistry in December, 1968. Her home address is recorded as Morehouse College, and her date of birth as November 5, 1937, at Altheimer, Arkansas.

On April 13, 1972, Professor NORMAN NACHTRIEB, Former Chairman, Department of Chemistry, during the appointee's tenure, advised that he knew the appointee quite well and has a good impression of her. He described her as a very earnest, conscientious, hard-working, professionally dedicated young lady whose loyalty and moral character he would have no reason to question. He said he knows nothing of an adverse nature concerning ANDERSON and highly recommends her for a position of trust with the Federal Government.

Dr. NACHTRIEB stated the appointee received an appointment as a teaching assistant in October, 1964, under Dr. NIEN-CHU C. YANG for two quarters and under Dr. LAWRENCE SINGER for the spring quarter of 1965. She was appointed a research assistant under Dr. LEON STOCK from 1965 through 1968. He said SINGER is presently affiliated with the University of Southern California, and STOCK and YANG are attending conferences in Boston.

Dr. NACHTRIEB further advised from the appointee's record that she scored very high in her German and French examinations.

CG 161-2281

On April 13, 1972, Dr. SOL KRASNER, Assistant Chairman, Department of Physics, and Dean of Students, Division of Physical Sciences, advised he has no recollection of the appointee by name, description, or background.

Curtiss Candy Company
3401 Mt. Prospect Road
Franklin Park, Illinois

On April 13, 1972, inquiry at the Personnel Office revealed they only keep personnel records four years on former employees and would have no records from 1957.

It is noted that the appointee would have been employed at the company plant in Chicago and not in Franklin Park in 1957.

Credit

On April 14, 1972, Mrs. DOLORES COFFEY, Clerk, Chicago Credit Bureau, Incorporated, advised SC VIRGINIA MALONEY that she has no record of the appointee.
